Do the Impossible

Choose one volunteer at a time to try something that many will think is impossible: Can you balance a book on top of a piece of paper? Hand them one sheet of regular paper and a book. After several volunteers try, ask who thinks it's impossible. Then take the paper and roll it up, put a small piece of tape on it to hold it together. Set it down and balance the book on top.

Spiritual Application: There are a lot of things in life that you will think are impossible, but God will never ask you to do what He won't give you the resources to accomplish. What is impossible with man is possible for God. Can people get themselves into heaven? No, it's impossible unless you come to God through Jesus. He is the only way to go to heaven. Repeat this after me: What's impossible for man / is possible with God. (See Matthew 19:26; Mark 10:27; Luke 1:37).
