

Javelin Throw

Using a pool noodles as a “javelins,” have students take turns throwing them at a hanging hula hoop.

Spiritual Application: In the game you had a target. Our target in life should be to be like Jesus. Jesus said in Matthew 11:28-29, “Learn from me for I am gentle and humble.” How can you be gentle and humble? How else would you describe Jesus’ life? How else can you be like Him? If someone were to ask your closest friends to describe you, how would their description of you compare to your description of Jesus’ life? What might this communicate about how you are living or what is important to you?
