

# KIDS SAY THE DEEPEST THINGS

Copyright by Kolby King, 2003

## Who is God?

The ruler of everything.

He lives in heaven and is nice, and wants us to do right.

God died on the cross for your sins and sent Jesus so we can go to heaven.

He loves you very much.

He's nice, kind, loving, caring, and cool. He's got a lot of money, and He's sinless and holy.

## If God gave you total power for one day, what would you do?

I'd kick down a tree with one arm

I'd go to church all day long.

I'd fly.

I guess I would stop all the bad things.

I would make churches all over the world.

Help others.

I'd do something, but I don't know what.

I would stop and go back in time, back to when my brother died and I would say goodbye. . .or I'd stop it.

I'd fly around the world.

Help my grandma and great-grandma come to Christ.

Go to another planet.

I would make my best friend my sister.

Learn more about Jesus.

I'd do really good in math.

I'd make everybody turn to God and know Jesus so I could see some of my friends in heaven. . .and then I'd get some all you can eat ice cream from a buffet.

I'd preach his word a lot.

I would save people who are dying and try to make world peace and end world hunger.

### **Why did God make us?**

Cause He wanted more people.

So He won't be lonely.

Because He wanted somebody to go to heaven.

So He could send His Son.

There was probably a part of the world that needed humans and He loved us so much that He wanted us there so we could follow Him.

Because there wouldn't be anybody on earth if He didn't create us.

Cause He got tired of dinosaurs--just kidding. Cause He has a plan for us.

### **Why can't you see God?**

He's invisible

He's like in heaven, and we're on earth.

Cause He doesn't want you to see Him.  
He's up in space--in heaven. When you get to heaven you can see Him.

### **Who wrote the Bible?**

Like, a lot of people

God, by many people

Paul

The disciples. . . or was it the twelve apostles?

### **If God had a favorite food, what would it be?**

Pepperoni Pizza

Vegetables

Cheese, cause I like it.

I don't think He has a favorite food.

Steak, because it tastes good and is juicy and tender.

Burger King, because the chicken is good and they have cool toys.

Pizza, cause I like it and He created me. Or, it could be a casserole.

Fruits, cause they're really good.

Fried chicken, cause that's my favorite.

A giant pizza

### **In the Garden of Eden, why did the devil tempt Eve instead of Adam?**

Cause he wanted them kicked out of the garden

Cause she was a woman and he was a man.

Cause she was closer.

**Which of the Ten Commandments is most important?**

The real thing is love one another. That's the most important.

To praise Him.

**Why does God allow bad things to happen to people?**

He doesn't. He makes the good stuff, not the bad stuff.

Cause everyone isn't a Christian and doesn't obey God.

So you learn what's right and wrong.

Cause we're not perfect.

Cause Jesus wants them to go to heaven.

So you can learn from your mistakes.

**What would the world be like if Adam and Eve hadn't eaten the forbidden fruit?**

A perfect place and no one would sin.

No sin. Everyone would be nice and there wouldn't be a Britny Spears.

I think everyone would be naked.

There would be no music makers that don't dress proper.

It'd be paradise.

## **How is God everywhere?**

Cause He lived on earth.

He's just watching us.

## **What is the lesson behind Noah's Ark?**

Believe anything God tells you is going to happen.

That how wouldn't flood the earth again and that people should be nicer  
and use the church for what it's for.

That you obey God.

## **How do you think the wise men knew about Jesus' birth?**

God gave a sign.

They followed the star.

Because God told them.

## **If you were one of the wise men, what gifts would you bring to Jesus?**

The Bible, because He's the Son of God.

The stuff that I have.

A crown, cause that's what kings wear and He's a king.

Love, cause He loves me.

Lots of clothes and food and some money.

Praise

A treasure chest with gold.

Gold and diamonds, cause it's special and He's special.

I would bring Him my heart.

**If Jesus were born today how would the angels announce his birth?**

They'd yell it.

**Why did Jesus tell Peter to go to the sea and find a coin in the mouth of a fish?**

So the fish could eat.

**What did Jesus mean when he said, "I am the bread of life"?**

I am the Father of life.

His body

I am the soul of life.

I don't know. Cause they ate his body? I mean, bread--He's the food of life and you're supposed to eat him.

That He's like everything.

That He is the main person. He's the creator of everything.

No one can live without Him.

That if you don't have Him, you can't really live. You'll always be unhappy.

If we take Him in, we don't have emptiness anymore.

**Why do people have to die?**

Because in the end there will be a lot of bad things happen and God doesn't want you to see it.

Cause sometimes someone has a heart attack or gets real old.

If people didn't die, they'd be too many people in the world.

So they can go to heaven. If we lived forever, nobody would be in heaven with God.

Cause we sin.

Cause the population would get so big, and everybody would get squashed.

**How do you know for sure you're doing what God wants you to do?**

A feeling in my heart of whether I'm doing right or wrong.

**Who is the wisest person you know?**

My pastor

God

Albert Einstein

My great-grandma. She's the most spiritual person I've ever met.

The Lord

Mom and Dad

Solomon

My dad, cause he makes good choices.

My meme, because she's always nice to me and always tells me the truth and she always does the right things.

Moses, cause he went up on the mount and got the Ten Commandments.

Probably Noah because he build the Ark like God told him to.

General Patton

## **Who is the greatest in the kingdom of heaven?**

God

God and Jesus

## **How powerful is God?**

Very powerful--stronger than anybody and way more powerful than Satan.

## **Why does God let us do bad things?**

Because He wants you to do right things but let's you do it on your own.

## **Why should we not steal?**

Cause it's a sin and God doesn't like sin.

Cause it's rude and it's not nice, kind of like the Ten Commandments.

## **Why should we not lie?**

Not only will that person be hurt, you'll be hurt too.

When you lie God doesn't like it and He wants you to repent.

Cause it's sinning.

Because God said not to.

You can get into trouble, and it's not right.

## **How can Jesus be 100% God and 100% man?**

Because He's God and cause He came down to earth. He came in the form of a man.

## **How does God talk?**

Through your heart

## **What does God do?**

He watches over you and listens to your prayers.

Creates people. He knows the future. He already knows what your actions will be and He wants everybody to be a Christian

## **What are miracles?**

When you think something won't happen, but Jesus helps you out and it does happen.

It's like if a person has a disease and he's going to die, but then he lives.

Things that don't usually happen that God does, that makes you feel good.

Things that happen in life, like if you're ever bad sick and God loves you.

## **Who's the devil? What does he do?**

An angel. He makes people come with him cause everybody goes to God instead of him.

Satan, one of Jesus' old angels.

I think he's the stupidest!

He can from heaven, but got kicked out because he wanted to be the Lord. So God banished him.

He destroys your mind.

## **What's the difference between good and bad?**

God wants you to do good and not bad.

Good is right. Bad is wrong.

God wants you to do good. Satan wants you to do bad and they are opposite things.

Bad got to go to hell. If you're good, you get to go to heaven.

## **What's the Golden Rule?**

A rule to follow

Be kind to one another

Keep the Sabbath day and keep it holy.

Obey God.

Love God with all your heart.

Don't have any gods before God.

Treat others the way you want to be treated.

## **What does Resurrection mean?**

He rose from the dead--we studied this.

Maybe, help one another

## **What's so great about heaven?**

God is there.

Like when you get really sick, when you get to heaven you can just be happy.

No one will sin.

Everyone saved is there.

You're with Jesus and can never be hurt or anything.

I got no clue--My mom says it's all my favorite things in all my favorite colors.

God is there and you get to see him.

Jesus is with you.

There'll be no murder--a lot of things.

It's a special place where Jesus and God live.

It's like every season people like. Nobody sins and you worship Jesus forever. In hell you burn to death forever.

### **What do you think people do in heaven?**

I don't know.

They jump into the really shallow river of life--Zion is another name for heaven, and there's a big, big house and a river and a big yard--Hey, how can you play football in heaven?

Probably worship God all the time and don't even think of other things. They praise God.

### **What's heaven like?**

There are golden roads, silver sidewalks, and pearly gates.

There's a clear as crystal ocean.

In heaven you worship God and turn into angels.

## **What don't people do in heaven?**

They don't sin.

They don't listen to Satan, and they don't go to hell, and they don't marry the devil.

## **What three things would you like to take to heaven with you?**

My family, favorite doll, and I can't think of anything else.

My Bible, a camera, and my family

A camera, clothes, and my family

My family, my dog, and my best friend

A Nintendo, a computer, and a TV

My cat, a book, and toys

I'd take my pooh bear, pictures of my family, and my Bible

Love, hope, and happiness

## **What do you think your parents pray for?**

I think they pray for safety for my family.

I think they pray my family will be good Christians.

For me and my sister not to fight.

Prayers for us to be safe and have safe trips.

Me--to have a good day at school.

I don't know.

Everything--That I have a good day everyday, and my grandma doesn't know Christ, so we pray for her.

That we will live with Jesus and not die.

Lots of things like my aunt, the youth of the church, preachers like Dr. Day, to have a good time in church, and that's all.

Probably for some people in our family who aren't saved to get saved.

### **What do you thank God for?**

My family because they protect me and feed me.

My mom, dad, and brothers.

My family, my house, and food--sometimes.

Everything

For birds, trees, and rain.

### **What will it be like when Jesus comes again?**

Everybody will disappear and go to heaven and people who don't go to heaven will wish they would've learned of him.

### **What do you think Jesus looks like?**

Brown, long hair and a brown mustache.

A nice man

Brown hair, blue eyes

Brown, long hair, and a white robe with a red stripe all the way around it.

Jesus looks like Jesus. He kind of looks like God.

Probably with brown hair and wearing a pure robe.

Like a brown cape, and brown hair, and flat shoes.

He has long hair, blue eyes, wears sandals and kind of like a white dress with a blue stripe on it and a beard.

### **Why did God make kids?**

So people would never end.

### **How old is God?**

No one knows--He's been around for a long time.

Probably ten thousand years.

He's not really that old.

Seventy million hundred thousand. . .You can't count them. They're (pause) infinite. Isn't that the right word?

### **What does God like?**

Kindness and people to be nice to each other.

### **What makes good friends?**

They are nice to you and do stuff for you.

A person you can trust.

Helpful, kind, loving, and friendly.

Someone who's loyal, and a lot of common ground, around your age, and in the same class.

A friend you can trust, who's a Christian, who isn't mean.

Being nice and not telling them a lie and if you make a promise, you do it.

### **Tell me about your grandparents?**

They are very nice and they spoil me.

They have candy waiting for me and give me a coke every day.

She's 72, has white hair, and makes the best sugar cookies.

### **How many of the twelve disciples can you name?**

Andrew, Peter, Doubting Thomas, John

Paul, Peter. I never really thought of this.

Peter, Paul. Was Moses? And James.

Matthew, Mark, Luke, John, Peter, Judas. Weren't there two Peters?

Matthew, Mark, Luke, John, Peter, Thomas, Judas. Weren't there two  
Johns?

### **Why do we sing in church**

To praise God

### **How do you go to heaven?**

When someone is really sick and old.

By accepting Jesus as your Savior

### **Why do we do bad things?**

Cause Satan made them.

Because Adam and Eve sinned and turned the whole world to sin.

### **What does God look like?**

They don't really know how, but people think he looks how they draw him.

Shiny. White clothes. I don't know.

He's beyond your imagination.

### **What is the lesson behind David and Goliath?**

Sometimes small things can take care of big things.

Don't disobey God.

To tell the truth.

That no matter how big you are, you can do anything with God on your side.

To show if you believe in God, you can do mighty things.

If you trust God, you can do anything.

### **What is the lesson behind the story of Jonah and the Fish?**

You shouldn't run from God cause something bad will happen.

If you don't obey Christ, you're going to get in big trouble.
