

Love Your Neighbor

SAY: Turn to the person next to you and give them a high five. It's easy to love your friends. Give me five! Turn to the person next to you and shake hands. It's easy to love people who love you back. Turn to the person next to you and say, "You're cool!" It's easy to be nice to people who are nice to you. But what about people who aren't nice to you? What about people who are mean or who treat you badly or who don't love you? How should you treat them?

Spiritual Application: This is a great opener for sharing the story of the Good Samaritan (Luke 10:30-37) or other verses such as Matthew 7:12 or Matthew 5:44.
