

MARSHMALLOW MADNESS

Marshmallow Golf

Using either real or plastic golf clubs, see who can drive and putt the best using large marshmallows.

Spiritual Application: Did you know that no one has every golfed a perfect game. A perfect game in golf would be a hole-in-one at every hole. Instead, the aim of golf is to get as close as you can. Heaven isn't like this. Nobody is perfect. We have all sinned and many people try being good, thinking that the better they are, the closer they will get to Heaven. But whether or not a person goes to Heaven doesn't depend on good works but on a saving relationship with Jesus Christ. See Romans 10:9, 13 and Ephesians 2:8-9.
