

Activity: **Bean Bag Blast**

Scripture: **Can be used for any verse**

YOU WILL NEED: One beanbag and each word of the memory verse on a different piece of paper.

Bean Bag Blast

Have your students line up behind a tape line you put on the floor before class began. Lay out the words for the Challenge Verse in the correct order about five to eight feet away. Give each student an opportunity to throw a beanbag at the words on the floor.

When a bean bag lands on a word, remove that word and repeat the entire verse.

Continue throwing the beanbag onto the words, repeating the verse as each word is taken away. Continue playing until all the words are gone and the children can repeat the verse from memory.
