

## Offering Illustration

Choose six volunteers. Give each a sign to put around his neck, showing different ways God uses your money when you give. Also point out the progression: Take a dollar, say it begins with God (comes from Him), then to you, your pocket, piggy bank, to the offering place (or envelope or bucket, etc.) Act all this out. Then it is given to the church to: (*signs read*) keep the lights on, make sure the toilets flush, pay church leaders, feed people in need, goes to tell people in our state about Jesus, goes to other countries to tell people there about Jesus.
