

Family Time with God

20 Questions Series—Part 9

RULES

Explain to your family that they are trying to guess a secret object. You will give them a hint such as "This is a person, place, or thing." Let each person one at a time choose a number between 1 and 20 and whatever number is chosen, read that number clue. After hearing the clue, the person will try to guess the answer. See who will be the first person to discover the hidden object. DISCUSSION

ASK: Did you know your tongue is one of the most powerful weapons in the world? How can your tongue hurt people? Has anyone ever hurt your feelings with their tongue? What are other ways we can do damage with our tongues?

SAY: Listen to what the Bible says about how powerful the tongue is. These verses are going to talk about several ways that tongue is dangerous. Listen for what sticks out to you the most.

Read James 3:2-12

ASK: What part sticks out to you the most? How can we guard our tongues from doing evil? How can we use our tongues to do good?

Take prayer requests and PRAY for your family to use their tongues wisely.

If you want, you can have a tongue competition too—See how far they can stick out their tongues; can anyone touch their nose with their tongue; can anyone twist their tongue upside down; can anyone talk without moving their tongue.

(EXTRA: Make the word "Tongue" your Word of the Day and see how many times your family can use it in conversations in the next 24 hours.)
