

Play the Game

Illustration: Call up a volunteer or two and tell them that they are going to play a game but that you are not going to tell them the rules or how to win. Then quickly say, “Ready, set, go!” They will probably just stand there and look confused.

Spiritual Application: Was that fair? Could they win the game? No, they didn’t even know the rules. But in life God has laid out all the rules—how to live, what to do, what not to do, and He has also told us how to win: By giving your life to Jesus and following Him everyday in every way.
