

Sample Purity Ring Ceremony

Leader: Brief explanation about purity training—i.e., Tonight is a very special night as a number of our students are committing themselves to God’s plan for their purity. The following students have completed several sessions concerning how to keep their relationships, their thoughts, and their lives holy and clean. Parents, as I call your student’s name, please stand across the front of the auditorium. *(NOTE: The parents and students will already be seated on the front row across the front of the auditorium.)*

[Call the students’ names who are making a purity commitment.]

Leader: Students, we are proud of you for the commitment you are making. There is no greater plan for your life than the path that God has given you in Scripture. Students, please repeat after me:

Student Pledge

(Students repeat after)

Believing that the Bible is true ...and trusting God’s plan for my life ...I make a commitment to God, ... to myself, ... to my family, ... to my friends, ... to my future spouse, and to my future children ... for a lifetime of purity ... including sexual abstinence ... from this day ... until the day I enter ... a biblical marriage relationship.

Parent Pledge

(Parents repeat after as they place the ring on the student’s finger)

Believing that the Bible is true ...and accepting God’s plan for a parent ...I make a commitment ... to encourage you ... in your walk with Christ ...to challenge you ... to continue growing with Him... to keep you accountable ... to your commitment for purity ... and to set an example for you with my own life and actions ... May this ring ... be a reminder ... of your commitment today ...I love you ... And I am proud of you .

Church Pledge

(The congregation stands and repeats after)

As your church family ...we commit ourselves ... to encourage you...to strengthen you ... to challenge you... to bless you ... to pray for you ... and to cheer you on ... as you live a life ... of faith and purity ... We also commit ourselves ... as an example for you ... We love you ... and we are proud of you.

Leader: Students, today these rings were given to you by someone who loves you and supports you in this commitment. Wear it with the knowledge that your purity is for God’s glory. On your wedding night or during your wedding ceremony give this ring to your spouse as a celebration of promises given and promises kept. May it also be a symbol of your continued sexual purity even in marriage.
