Show Me the Way

Choose a volunteer. Ask him to tell you how to get from the room you are in at the church to the worship center. (Or, you could ask him to give you directions from the church to his home or to Wal-mart.)

Spiritual Application: God has given us rules in the Bible. He gave us rules because He loves us. You showed me the way. God's rules show us the way to have a good life. God knows that wrong things will only hurt us and steal from us but real life is only found in Jesus.
