

Game: **Spell It**

Discussion: **Sin—Missing the Mark**

Scripture: **Any verse.**

YOU WILL NEED: *A box of alphabet cereal or some other product that has the letters of the alphabet.*

NOTE: This activity can be used for any one verse or for multiple verses. For more than one, just give a different verse to each group listed below.

Spell It

Divide your class into four teams and give each team part of a table at which they will work. Then explain to them that you are going to give them a Bible verse and then dump out part of the contents of a box of Alphabet Cereal (or Scrabble pieces) for each team.

Their job is to spell as much of the verse as they can in three minutes. If they need to, they can trade letters with another team if that team is willing. Then pour out the letters, but tell them not to start until you say go.

(NOTE: Younger children will especially need something to look at. They may not be able to read yet but they can match letters.)

When the time is finished (and feel free to give them more time if they need it), have them put all the letters in the trash and then come to the circle.

Ask the students—**Did anybody finish the whole verse?**

Ask the students—**What do you think this verse means?**
