YOU WILL NEED: The following words in a small bag—*Patient, Kind, Does Not Envy, Does Not Boast, Is Not Proud.*

Word Hunt

As the children enter tell them that you have hidden 5 letters somewhere in the room. They are on small pieces of paper. Challenge them to find all five. Once all the pieces have been found, tell them that it spells the word "LIGHT."

Give all your students a Starburst and SAY:

These are *Starbursts* and we are getting ready to look at a verse in the book of Philippians that mentions stars.

Ask the students: Is the book of Philippians in the Old Testament or the New Testament?

(New Testament.)

*Ready...Philippians 2:15...Go!
Read the verse.*

Ask the students: Who remembers what this verse said about stars?

(To shine like stars in the universe.)

Ask the students: What does that mean?

SAY: God wants us to shine the LIGHT of his love and life to others.
