

Discussion: **Sharing Jesus' love**

Scripture : **Matthew 5:14-16**

YOU WILL NEED: *Everything for some good ice cream sundaes!*

Ice Cream Sundae Volcanoes

SAY: Today we're going to have a special snack, but I'll tell you about that later. Right now get your Bible ready for some Bible drills.

Ready...Matthew 5:14-16...Go!

Ask the students: **Do you think a volcano with lava on it could be seen from far way.**

(It can be seen from very far away.)

SAY: When you live for Jesus, His life and love will shine through you. Even from a distance people will notice that there is something different about you. By how you talk and by how you live, Jesus' love will flow through you to others.

SAY: Today we're going to have a special snack...ice cream sundaes. Raise your hand if you like chocolate on your sundae? Your sundae is sort of like a volcano except with chocolate flowing down the side. And today we want to encourage you to let Jesus' love flow.

Ask the students: **When lava is flowing down a volcano, can anything stop it?** (Not much.)

SAY: Never let anything stop you from sharing Jesus' love with others.

Ask the students: **What should you let flow out of your life?** (Jesus' love)

Ask the students: **How is a volcano kind of like our verse for the day?** (The both have a light on a hill.)

Ask the students: **Who remembers what our verse today meant?**

Ask the students: **Where would today's Bible verse be found on the Bible Book Chart?**
