## Beautiful Are the Feet...

Make several pans of Jell-O with marbles inside them. Call up a volunteer for each pan and have them sit in chairs and remove their shoes and socks. (NOTE: You will want to have laid down some sort of floor covering such as a painter's sheet.) When you say go, using only their toes, they will try to remove from the pan and set aside as many marbles as they can.

*Spiritual Application:* Beautiful are the feet... See Romans 10:14-15. In the game you were trying to reach marbles. Who in life are you trying to reach for Christ?
