

# MARSHMALLOW MADNESS

## Buried Treasure

Bury one large marshmallow in a pudding pie. Call up a volunteer for each pie. When you say go, they are to attempt to find the marshmallow using only their mouths. (NOTE: You will want to have laid down some sort of floor covering such as a painter's sheet. You will also want to provide your volunteers with a shower cap, goggles, and a trash bag to cover their clothes. Have helpers standing by to take your volunteers to the bathroom when they are done to get cleaned up.)

*Spiritual Application:* You were seeking a big marshmallow. Other people spend their lives seeking fame or fortune but the greatest treasure in the world is knowing Jesus. He is worth more than anything and everything else in life put together. Read and discuss Matthew 13:44-45.
