

Great Grapes!

Choose several volunteers to be grape testers or if you want to have a little fun, have a grape-toss, where one volunteer tries to get grapes into another volunteer's mouth.

Spiritual Application: How did those grapes taste? Pretty good. Have you ever gotten a sour grape. They taste bitter. God doesn't want you to have a sour or a bitter life, and the only way not to have a sour life and to have real peace is to walk with Jesus. There are also a lot of references to grapes in the Bible and this game could be used as a springboard for any of them as well—i.e, The spies whom Moses sent into the Promised Land brought back a large cluster of grapes (Numbers 13:23); other references include Deuteronomy 32:32, Jeremiah 31:29-30, Isaiah 5:2-4, Ezekiel 18:2, and Matthew 7:16-17.
