Life-Savor

Bury a Life-Savor in a bowl of whip cream. Choose one volunteer for each bowl. When you say go, the first one to find the life-savor is the winner. You will want to equip your volunteers with goggles, a trash bag covering their clothes and a shower cap.

Spiritual Application: You were seeking a Life-Savor, but in life there is one real Life-Savior, Jesus Christ. Talk about seeking the Lord (Hosea 10:12) or seeking the things above (Colossians 3:1) or seeking and finding (Luke 11:9-12).
