Popcorn Sunday

Have Popcorn Sunday where every student will learn while munching on a bag of popcorn. Then let them learn some lessons from the popcorn too:

- Offer your students some popcorn. Hold out a bowl of kernels only. Who wants some? Nobody. That would taste terrible. An incredible change happens when it gets hot. It goes from being hard and tasteless to one of the best tasting treats around. In a like manner, an incredible change happens when someone gives his life to Jesus (2 Corinthians 5:17).
- Popcorn makes you thirsty. Did you know that God wants us to thirsty for something too? (Matthew 5:6)
- This morning, when did you first smell the popcorn? Popcorn is one of the most powerful smells in the world and did you know that the Bible talks about a sweet smell? And you can smell good too! (1 Corinthians 2:14-15)
