

# MARSHMALLOW MADNESS

## Stomp Relay

Set up a line of marshmallows, the same number as the number of students on each team. When you say go, the first student in line will run down and stomp one marshmallow. Keep playing until everyone has had a turn. The first team finished needs to sit down in a line and raise their hands. This will let you know that they are done.

*Spiritual Application: Romans 16:20.* NOTE: This is a great outside game.
