Surprising Protection

Take a napkin, wad it up and stick it inside a cup. Turn the cup upside down and lower it into a large bowl of water. Pull it out and show your students that the napkin didn't get wet.

Spiritual Application: In the same way, God protects us. You are safe in Christ just like the napkin was safe in the cup. Tough times and temptations may come but God will give you the strength you need to overcome. For a discussion on temptation, see 1 Corinthians 10:13. You could also talk about Jesus being the Good Shepherd and how He is the door or the gate to the sheepfold (John 10:7). Nothing could come in, unless it first came through the shepherd. The sheep were safe inside with Him at the door.
