

The Golden Rule

Choose a volunteer to help show your students how to treat others right. Put a funny hat on him.

Spiritual Application: Read Matthew 7:12. If he doesn't want others calling him names, he should not go around calling them names. Right? Right! If he doesn't want others kicking him, he should not go around kicking them. Right? Right! If he doesn't want somebody sticking their finger up his nose, he should not go around sticking his finger up their nose. Right? Right! Treat others the way you want to be treated.
