

Toppling Towers

Illustration: Using blocks or even cups, anything that can stack, have a stacking competition to see who can build the tallest tower.

Spiritual Application: Discuss with them Luke 13:1-5, especially vv4-5 when Jesus referred to the eighteen people on whom the tower of Siloam had fallen. Were these people worse than others? Why do bad things happen? Bad things can happen to good people, but no matter what happens always remember to “just trust.” You can always trust God, no matter what.
