

## Where to Look

Before your students enter, tape a half a piece of paper to the ceiling in the back of the room. At some point ask your students to close their eyes. Has anyone noticed something unusual taped to the ceiling? Then tell them where to look.

*Spiritual Application:* You knew where to look because I told you. Your entire life, you will surround people who will be looking for peace and, if you have given your life to Jesus and are walking with Him, you can tell them where to look—only in Jesus Christ. See Ephesians 2:14, Romans 5:1, and Philippians 4:7.
